

In the frame of the project – Baltic Actions for Reduction of Pollution of the Baltic Sea from Priority Hazardous Substances (BaltActHaz) we would like to invite you and/or your colleagues to the seminar

“Seminar for Baltic States on Industrial Emissions Directive (IED)”

which will take place in Estonia, Tallinn, hotel “Clarion Hotel Euroopa”
address: Paadi 5, Tallinn

2nd – 3rd February 2012

Aims of the seminar:

- To inform stakeholders about the changes in the IPPC system introduced by IED and to present time frame of the changes;
- To discuss about stakeholders preparedness for changes;
- To share experience which actions shall be taken to be in compliance with IED requirements;
- To discuss how changes affect permitting of hazardous substances to the aquatic environment.

Language of the seminar: **English**

Please find attached draft agenda for the seminar.

Technical information about accommodation you will find attached in the following page to the invitation.

Please find enclosed the link to the **registration form**, which we are kindly asking you to fill in and submit electronically by **20 January, 2012**. You can fill in the electronic registration form by clicking on the following link – [REGISTER TO THE SEMINAR](#).

If you have any problems registering,
please contact katrin.juhanson@bef.ee, Tel. + 372 6 597 028.

Yours sincerely,

Kertu-Kirit Sild
Project manager
